

## 34. INTERRADIO in Hannover, Oktober 24th 2015

### New Tradeshow Topics – Biggest Electronic- , Amateur Radio Show and Flea Market in the North of Germany

At Oktober 24th 2015 the hamradio- and electronic- show INTERRADIO will take commerce at Hannover Fairground in parts of Hall 2. As in the past years, the area will consist approx. Over 5000sqm allocated space.

On offer are hamradio-transceivers, radio-accessories, hamradio-computers and electronic components. Up to 3000 fairgoers are taking part every year. This year we will extend the show portfolio to modelmaking and the new trend „Maker Fair“.

Unused space in hall 2 with 10.000sqm can be used for model flight, course drives with electrical automotives.

The entire team of „Amateurfunk Treffen Niedersachsen e.V.“ provides you the chance to offer interested parties your products, services and professional articles, either at the show, or the flea market.

Our voluntary team is at your service and will assist you with all questions regarding your booth.

Further information can be found at [www.interradio.eu](http://www.interradio.eu)

We would be pleased to welcome you at the biggest radio and electronics market in northern Germany!

Best Regards,
